Gladiolus Bulbs

EUGENE C. HOST

Jewett, Ohio

INTRODUCTION

We are not in the bulb business for a living. We grow Glads because we love 'em. Naturally in the course of time one gets a surplus. They must be disposed of in some way, hence this list. We have priced our stock as low as the lowest and we believe our bulbs are second to none in quality. We give extra bulbs with every order. We send out full blooming size bulbs and pay postage or express charges on all orders. We guarantee all bulbs to be true to name and healthy but give no warranty, expressed or implied as to crop and will not be responsible for results other than to replace stock not true to name or refund purchase price. If you prefer to grow a mixture rather than the named sorts we have it and they are not trash either. We can supply bulbs in mixture at 12 for 50 cents, 50 for \$2.00 and 100 for \$3.50. Give us a trial. We will do our best to please you
